

Cloth Masks Needed!

Calling all sewing angels! We are currently in need of cloth masks to comply with the most recent Centers for Medicare and Medicaid Service guidelines. We are currently looking to gather 500 masks to support our team members. We are accepting masks sewn from 100% cotton with either elastic or fabric ties. There are many patterns available online; any masks that extend from the bridge of the nose to the chin are welcome. Please preshrink fabric before sewing by washing in hot water and drying with high heat. If you would be willing to donate to our Grandvue family, please contact the facility at 231-536-2286. Thank you for your care and support!
