

Preparations:

As we watch the COVID-19 virus move across our state, we wanted to update you on the preparatory actions we are taking to keep our Residents and staff members safe:

- Monitoring the Centers for Disease Control, MIOSHA Health and Safety, State of Michigan and Charlevoix County websites for the most up-to-date information
- Updating Grandvue's plans based on the most current guidance
- Working under an incident command model for efficient communication and action
- Following our Emergency Preparedness and Pandemic Plans
- Monitoring staff health

Please be assured we are taking all possible measures to be proactive.
