

Dear Grandvue Family,

Resource-wise, we are doing o.k. What our suppliers have not been able to provide, local vendors have. Once we can, we will share their names and provide avenues to show appreciation. Michigan support agencies have also provided guidance and supplies as they have become available.

What can you do to help?

Grandvue could use the following:

- N-95 masks
- Hand sanitizer
- Cotton balls
- Isopropyl alcohol
- Clorox wipes

Supplies may be dropped off in the front vestibule.

Thank you.
