Decision-Making Capacity – Physician Statement

Based on my evaluation, I have determined

_____ DOB _____
name

is unable to make sound decisions for him/herself.

My signature affirms the resident is incompetent to make decisions and supports activation of the Durable Power of Attorney.

In conjunction with a physician/psychologist’s endorsement, this record activates the Durable Power of Attorney effective the date of the second signature.

*Patients Rights Michigan Act 312 December 18, 1990
Subsection (8)-Requirement*

That the patient’s inability to make medical decisions must be determined by the patient’s attending physician and another physician or licensed psychologist.

The law requires that the physician or psychologist put the determination in writing, make the written determination a part of the patient’s medical record, and review the determination not less than annually.
